

Island Lodge holiday accommodation

24 Tilba St Narooma NSW 2546
02 44761546

We advertise Island Lodge as “ideal for large groups” and have had a number of fishing, golfing or family groups stay and they’ve loved the setup.

We are able cater for groups up to 12 persons by using both units in combination with our extra-large bunkroom. Virtually the whole building becomes yours to enjoy!

Units A and B are both fully self-contained and inter-connect via an internal stairwell with the bunkroom. Even though the units are on different floor levels, they both have easy street level access and off road parking.

The 2-bedroom unit can sleep up to 6 people. The one bedroom unit can sleep 3 people and the bunkroom can sleep 3, making it possible to accommodate 12 in comfort. Both units have their respective bathrooms and toilets and there is a third shower and toilet between the two units.

There is heaps of room to move and noise is not an issue because there are no other guests to consider.

Bedding, towels, basic cooking/cleaning utensils and BBQ gas/ utensils are provided in the tariff.

There are storage areas for rods, clubs, and diving gear and there’s an upright deep freezer available to freeze fish until departure if required. Your boat can be parked almost outside your unit.

Please note that there is a minimum of 2 nights booking for large groups using the bunkroom.

Let us know your needs and we will do our utmost to meet them.

Mal and Anneke Campbell.
